Vleuten, 12-3-2021

Dear Friends and Sponsors of the HNGF,

In this annual report 2020 we would like to inform you about the past year.

First of all, we would like to thank our 7 loyal regular donors again for their periodic contributions with which we can finance the HNGF activities.

In 2020 we once again received some large donations from Hans Gerritsen Ben Ferwerda, Hilly Bol, Ursula Heine and Hans Brouwer.

Thanks again everyone!!

Progress projects:

Mainpat

Due to the corona crisis, the world suddenly looked very different and there wasn't much other to do than to accommodate all of us in our fate. Our projects also slowed down. As we reported earlier, the young monks of H.E. Beru Khyentse Rinpoche, permanently live in Mainpat (India). With your support, a classroom has been set up earlier and the construction of a school building has been completed. Thanks to your extra support, construction has become a nice and happy ending!

The contact with the contact persons is good but less intensive.

Normally we meet in India in December but that was

impossible in 2020 of course. We did receive a photo of our two contact for the nunnery in

Rumtek. at the beginning of 2020

We are happy to share them with you! And many thanks for your help!

Soreng

Since 2018 we have been in contact with Lama Puntso, a French Buddhist teacher,

He has had a foundation since 1998 with the same objectives as the HNGF.

We made a first donation in 2018 for the construction of a

Girls/women school in Soreng near Darjeeling. Construction is more advanced now.

In 2019, 560 euros was donated to the HNGF, specifically for this project. This was

transferred to the school in early 2020. We do not yet have a photo of the progress of

construction in 2020.

As soon as we can get in touch again and there are new developments

we will share it with you!

Changes in the board

After 8 years of loyal and valuable input, Peter Kersten unfortunately has te leave as

treasurer. Peter was conscientious and dedicated. He gave the foundation

great support. We would like to thank Peter very much for his contribution! Luckily we can

also announce that a successor has been found: Hans Gerritsen. Hans will enjoy his well-deserved retirement as professor of physics at the University of Utrecht.

Hans had decided to commit himself to a few charities. We would like to welcome him as his successor! The handover will take place in March 2021. We wish Peter all the best!

We would like to thank you again.

We will continue to make a difference together in 2021-2022!

Yours faithfully,
